All our watches are serviced by our watchmakers to give them a second life. Nevertheless, these watches are pre-owned and may show some signs of wear. Furthermore, when necessary, the dials are restored by a master craftsman. It is also possible that the dials may have been changed in the past by the manufacturers themselves (by Cartier, Rolex, etc.). We guarantee the authenticity of all our watches. All warranties begin on the date the watch leaves our workshop. As this timepiece is pre-owned, no water resistance guarantee will be provided. We are, of course, at your service to provide you with the best possible information regarding the condition of these watches. RETURN POLICY: Due to numerous abuses, we wish to clarify that returns are accepted within 14 days, provided the item is returned in the same condition in which it was sold. Returns are void and therefore invalid once the watch has been worn or damaged in any way (impact, broken or lost glass, missing screws or any other part, water damage, etc.). Please remember that you are purchasing a high-end watch, and we recommend that you take the utmost care of it. This watch is not designed for sports, swimming, bathing, going to a steam room or sauna, or for any other risky activity. Ref\_1035
