Description

Rare table lamp created by Carlo Nason (Italy) in 1970 for Mazzega Editions. This lamp, purchased in 1973, is in perfect condition. It features three glass hemispheres. Two are made of bluish opaline glass, and the third, the smallest, is made of white opaline glass to conceal the bulb and diffuse a soft light that filters through all three globes. It is a magnificent lamp that creates a warm and inviting atmosphere in a room.
