Description

Pair of wide brown horn combs with engraved floral decoration and Rhine stone inlays. Good overall condition. Early 20th century, circa 1900. Dimensions: H 10 x W 6 cm. These combs, dating from the early 20th century, were used to hold and adorn women's hairstyles. Worn in pairs, they were slipped on either side of a chignon or other updo to secure the hair while adding a touch of refinement. At that time, hairstyles were an integral part of women's elegance, and these combs were often worn both daily and on more formal occasions.
