

## Louis XIV Period Boulle Marquetry Mirror

11 000 EUR

Period : 17th century

Condition : Très bon état

Material : Other

Width : 52,50 cm

Height : 64 cm

### Description

A Louis XIV period Boulle marquetry dressing mirror with inlays of red tortoiseshell, a mark of quality, and brass. The decoration, featuring scrolling foliage and acanthus leaves, is set within shaped moldings of chased bronze. The rosewood veneer back has a stand for placing the mirror on a table, as well as a hanging ring at the top. Mercury glass mirror. Boulle marquetry work in very fine condition.
