### Description

Polychrome earthenware sculpture by Aldo Londi for Bitossi, circa 1960s. A very beautiful sculpture by this great designer of the 1950s and 60s, who created a highly personal and original design, instantly recognizable--the mark of a true artist. Aldo Londi created highly original and varied forms with magnificent blues and surface incisions typical of his work. Here, a very handsome owl, 31 cm high, is very expressive and characteristic of the 1960s. This piece can be compared with our two other sculptures, a ram and a hen, in our Frank Maurel gallery. The piece is in excellent original condition. Shipping is available within France and worldwide via secure and insured package with order tracking. Collection is also possible at Mas d'Avalrich, Montéscot 66200, France. Tel: +33 6 11 14 25
