### Description

Circa 1920, Europe. Beautiful Art Deco shawl in densely embroidered black cotton tulle, creating a lovely sheer effect. Its shape and design are similar to Manila shawls of the same period, except that this one is of European manufacture due to the presence of black tulle. Fine embroidery of large, open flowers intertwined with leafy twigs covers the entire surface. Pastel colors with a sheer effect in shades of pink, white, fuchsia, yellow, red, and blue. Black silk floss knotted fringes on all four sides. This shawl is very durable, with no holes or stains. It is in excellent condition and wearable today.  
Dimensions: 130 cm x 130 cm and 35 cm fringe.
