

Oak Farmhouse Table, Louis XIV Style - Mid-19th Century

2 500 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Oak

Length : 194

Width : 71

Height : 77.5

Description

This large oak farmhouse table features two side drawers with drop-leaf iron handles. The whole rests on turned legs with ringed moldings, terminating in ball finials. Each leg is joined by a molded stretcher. This table, seating eight, is perfect for a dining room and has a top made of several tightly joined wooden planks.

*****Period: Mid-19th century. Excellent condition after restoration in our workshop.

Delivery available in France and internationally.
