

Louis XV Style Gilt Bronze Frame

500 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

An elegant gilt bronze frame, richly molded and sculpted, characteristic of the Louis XV style. The decoration consists of finely chiseled scrolls, shells, and foliage, offering beautiful depth and high-quality craftsmanship. It retains its original beveled glass, highlighting the authenticity and charm of the piece. The beautiful antique gilding displays a warm patina and is in excellent condition. An ideal decorative piece to enhance a drawing, miniature, or print, and perfectly suited to a classic interior.
