Description

Italy / 1980 / Console / travertine / Mid-century / Vintagesmall traces of useA striking vintage travertine console crafted in Italy circa 1980. This piece embodies the timeless appeal of mid-century design with a minimalist architectural presence. The rectangular form is rendered in warm, honed travertine, showcasing natural veining and fossil-like inclusions that lend organic texture and depth.Its clean lines and monolithic silhouette make it a versatile statement piece--ideal as a hallway console, entry table, or sculptural accent in contemporary interiors. The stone's subtle tonal variations and surface patina reflect its vintage character, with small traces of use consistent with age.Unmarked but unmistakably Italian in its refined materiality and proportion, this console offers both
