150 EUR

Signature : Johann Adam Klein

Period : 17th century

Condition : Bon état

Material : Paper

Width : 38 cm

Height : 28,5 cm

Description

Etching "Austrian cabbage farmers" by Johann Adam Klein. This work was done on paper and is part of his series '10 Characteristic Fuhrwerke, nach der Natur' (10 Characteristic Vehicles, from Nature). Klein was known as a talented etcher and painter of horses and landscapes. He made numerous study trips throughout Europe, including to Austria and Hungary, and filled sketchbooks with observations of everyday life, which he later developed into prints. The frame is 38 cm wide, 28,5 cm high. Signed and dated (1813) at the right bottom. German illustrative work from the 17th century.
