Beautiful Cast Iron Sculpture Of A Horse. 19th Century

2 200 EUR

Period : 19th century

Condition : Bon état

Material : Cast iron

Height : 43 cm

Description

A very beautiful and rare piece, a horse's head, period polychromy, patinated paint. Its style (elongated muzzle, expressive eyes, sculpted mane) makes it a decorative wall element of folk art. The patina and sculptural work, the subject itself, are typical of the 19th century.
