Width : 26,5 cm à vue

### Description

Jean-Victor BERTIN (Paris, 1767 - Paris, 1842)  
Study of a Tree, a Chestnut Tree Black chalk H.  
34.5 cm; W. 26.5 cm Signed lower right on the  
mount Jean-Victor Bertin can probably be placed,  
after his master Valenciennes, in the second rank  
of French landscape painters known as  
"neo-classical" of the late 18th and first third of  
the 19th centuries, ahead of Bidault, Dunouy,  
Chauvin, and Boguet. Among his best-known  
pupils were Corot, Michallon, and Daubigny.  
Very few of his drawings have survived. This  
vigorous study of a chestnut tree appears to date  
from the early 1790s, when he was still a student  
of Valenciennes.
