

## Lucien Gau Nymphéa Model Floor Lamp, Bronze And Metal

500 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Diameter : 35

Height : 153

### Description

Magnificent bronze bouillotte floor lamp from the renowned French company Lucien Gau, known for its high-quality replicas of lighting fixtures. This is the Nymphéa model, a contemporary and botanical take on Empire-style bouillotte lamps. At 153 cm tall, it's perfect for placing near an armchair or in a small space. The light green metal shade has a diameter of 35 cm. It comes with three new LED bulbs. This item is also available for viewing and collection at my shop in Morbihan, southern Brittany. For delivery costs, additional photos, or further information, please don't hesitate to contact me by email or phone (quick and easy) at: +33 6 50 08 97 17
