Description

We are offering for sale this exquisite nightlight in pâte de verre, by the renowned glassmaker Gabriel Argy Rousseau. Originally mounted on a wrought iron base, it is superb and is listed in the catalogue raisonné by Janine Block-Dermant, Paris 1990, page 196. We have photographed it from every angle, both lit and unlit. This nightlight would have been worth between 5,000 and 6,000 Euros, but as you can see in the photo of it lit, there is unfortunately a small crack; otherwise, there is no other damage. Weight: 575 grams. Shipping extra (EUR25).
