Description

We present this lovely ceramic candlestick by Jean Marais, the famous 20th-century actor and potter. He was introduced to ceramics by his friend Jean Cocteau, and after his career as a film and theater artist ended, he devoted himself entirely to ceramics in the South of France, near Draguignan if I'm not mistaken. This piece is signed, as are all his ceramics. Weight: 622g. Shipping extra (EUR25).
