

## Stawl Racket

170 EUR

Period : 20th century

Condition : Parfait état

Material : Solid wood

Width : 18

Height : 458

Depth : 4,5

### Description

Beautiful stawl racket, an English racquet sport. The racket consists of a handle covered in braiding and an oval head expertly fitted to the handle. The racket bears a hallmarked solid silver cartouche engraved with the name of a winner of a competition held after the racket's creation: "E. Cox 1972". A beautiful and unique sporting collector's item.
