Description

Emmanuelle armchair in woven rattan, Paon Pomare model, with a high back and openwork frame. The rattan work features a central fan motif characteristic of the Paon model, with integrated armrests. The seat has no cushion, and the rigid frame has circular, openwork legs. The armchair shows signs of wear consistent with age and use, visible in the photos: slight marks, patina on the rattan, and minor irregularities in the weave. The chair remains stable. Dimensions: Width 90 cm, Height 140 cm, Depth 55 cm
