### Description

Set of 2 Turkish Kilim Rugs: 1.00 x 1.55 Meters - Handmade in Wool. This beautiful set of two Turkish kilims is entirely handwoven using traditional Anatolian techniques. These authentic pieces are distinguished by the richness of their geometric patterns and their warm, balanced color palette. Each kilim features a structured design of diamonds, symbolic motifs, and stylized borders, characteristic of nomadic Turkish weaving. The deep red, green, blue, and ivory tones are harmoniously combined and have retained a beautiful intensity, attesting to the quality of the wool and dyes used. Supple and durable, these kilims are made of natural wool, offering both strength and lightness. They can be used as rugs, bedside runners, wall hangings, or decorative elements, alone or in combination. ? Origin:
