2 300 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Width : 142

Height : 141

Depth : 62

### Description

A remarkable historicist walnut sideboard, made in Germany in the late 19th century. The sideboard features turned columns, finely carved balusters, and decorative masks, with a small gallery that complements its harmonious design. It includes two practical drawers and a lower shelf, combining elegance and functionality. Its generous surface area offers ample space for displaying decorative objects or everyday items. A distinctive piece that exemplifies the high-quality craftsmanship of the historicist period.
