

Historic Dining Chairs, Germany, Late 19th Century

1 000 EUR

Period : 19th century

Condition : Bon état

Material : Leather

Width : 47.5

Height : 103

Depth : 53

Description

A set of four dining chairs from the Historicist period, crafted from finely carved walnut. The chairs feature turned, column-shaped legs, highlighting the exceptional craftsmanship of the era. The seats and backs are upholstered in embossed leather, with two chairs in dark brown and two in cognac. A harmonious set combining elegance and timeless charm.
