7 600 EUR

Period : 19th century

Condition : Très bon état

Material : Other

Width : 58

Height : 91

Depth : 58

Description

A set of four elegant armchairs made of cherry wood in early 19th-century France. The armchairs rest on tapered legs and feature straight aprons and gently rounded armrests. The rectangular backs are designed with a wide upper frame that curves concavely at the bottom, adding a touch of balanced elegance. The seats have recently been reupholstered in a mottled green fabric. The armchairs have been professionally restored and hand-polished.
