It is in excellent condition, with some minor scratches on the underside, typical of this type of object. The Compagnie des Cristalleries de Saint-Louis is a French crystal manufacturer that produces pieces for decoration, tableware, lighting, and furniture. Founded in 1586 in the Münzthal Valley in Moselle, it is the oldest crystal factory in France. Every day, the crystal pieces are mouth-blown, cut, and decorated by hand by the factory's artisans. Saint-Louis is the only crystal manufacturer in the world to produce paperweights. Our photos allow you to appreciate the quality of the item.
