

Extendable Table In The Historicist Style, Germany, Late 19th Century

2 800 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Width : 151

Height : 79.5

Depth : 115

Description

A large extendable table from the Historicist period, crafted from walnut, with an impressive length of up to 572 cm when fully extended. The table features finely turned column legs and a central octagonal pedestal adorned with carved dolphins resting on an X-shaped stretcher. An extraordinary example of the high-quality craftsmanship and opulent design of the Historicist era.
