Description

A work by the renowned animal painter Eugène Verboekhoven (1778-1881), this family of sheep in a stable is a classic of the genre. Very fashionable in the mid-19th century, these lively scenes brought a touch of the countryside to the walls of our cities. This oil on wood panel is in very good condition; cleaning might be considered to enhance its brightness. The giltwood frame (45 x 37 cm) has some minor damage.
