Description

Gorgeous large natural Ethiopian opal measuring 57 x 30 x 23 mm and weighing 28 grams (140 carats). Internal fire displays in several colors, including green, red, orange, and yellow with a hint of violet (as with all opals, the stronger the light, the more visible the fire). Piece from my personal collection**One-minute video below perfectly showcasing the opal (copy and paste the YouTube link if you can't click on it):
