

## Part Of A Faience Table Service From Eastern France, Strasbourg, Late 18th Century

2 500 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

### Description

A significant portion of a faience dinner service from eastern France (Luneville, Strasbourg, Les Islettes), predominantly from the late 18th century, decorated with a floral theme. The set comprises 37 dinner plates, 28 smaller plates, 8 round platters, 2 terrines or tureens, 1 covered bouillon bowl, 2 sauce boats, 1 square bowl, 1 scalloped cup, 1 oil and vinegar cruet base, 1 complete oil and vinegar cruet, 1 covered ewer, and 1 cup or small bowl. The set is in good overall condition, with some chips and hairlines. Restoration is recommended.
