Description

Pierre Chareau (1883-1950) Modernist Stool MT1004. Rare nickel-plated metal stool. Model MT1004. Later seat cushion. H 80cm D 36cm. The stool's condition is consistent with its age. The tubular frame is robust. It shows some loss of nickel plating and traces of corrosion, attesting to its age. The assembly, welds, and quality of the nickel plating are typical of 1930s craftsmanship, confirming that this is in no way a modern edition.
