

## Antique Cupboard Rococo Style Cherrywood France XX Century

1 600 EUR

Period : 20th century

Condition : Restauré

Material : Painted wood

Width : 125

Height : 106

Depth : 49

### Description

A Provençal-style sideboard with a Rococo feel, crafted in the mid-20th century from solid cherry wood. It features two paneled doors and two drawers, curved, carved feet that complement the apron, and leafy and floral carvings. The entire surface has been lacquered in shades of blue in our workshops using natural products, preserving the original reversibility of the furniture.
