Description

Antique yellow gold sautoir necklace made of openwork, shuttle-shaped links separated by small round gold rings. This antique necklace does not open but features a spring ring allowing it to be worn either as a double strand or to attach a pendant. Period: 20th century. Main material: 18k yellow gold (750/1000), hallmarked with a weevil mark. Proportions: Length: approximately 151 cm, width: approximately 4.8 mm, thickness: approximately 0.5 mm. Net weight: approximately 32.5 g. Authentic antique jewelry - early 20th-century work. Our opinion: Many of these antique sautoir necklaces were divided during family inheritances. It is rare to find them intact. To learn moreDiscover the product page for this antique yellow gold navette sautoir necklace online. Find all our antique jewelry in
