Jade Koi Carp Pendant

1 200 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Vintage pendant composed of a pair of engraved jade figures depicting two Koi carp. One is green jade veined with white, the other brown jade. They are held together by soldered gold plates. Period: 20th century. Main material: 18k rose gold (750/1000). Proportions: Height: approximately 4.5 cm, width: approximately 3.2 cm, thickness: approximately 8.5 mm. Net weight: approximately 12.6 g. Authentic antique jewelry - work from the 1960s. Our opinion: Very original, this jade pendant would look beautiful hanging from a thick chain or ribbon.
