### Description

Elegant vintage/1970s design coffee table, composed of a black lacquered metal frame supporting an original top made of eight textured green glass tiles, each adorned with a raised circular motif, creating subtle plays of light in the style of Jacques Adnet. The lines are clean and graphic, typical of decorative furniture from the second half of the 20th century. The lower metal shelf provides stability and added functionality, for magazines, for example. This decorative piece will find its perfect place in a contemporary, brutalist, industrial, or modernist interior, either as a coffee table or as a side table. Period: 1960s/70s. Frame: Black lacquered metal. Top: Textured green glass, 8 tiles. Style: Vintage/modernist design. Good overall condition, with slight signs of wear consistent
