

## 4 Indian Downry Chairs

2 900 EUR

Period : 20th century

Condition : Bon état

Material : Tin

Width : 59

Height : 87

Depth : 45

### Description

Set of 4 chairs. Anglo-Indian dowry chairs. This style became popular especially in the late 19th and early 20th centuries, during the British colonial era in India. The frame is solid teak. Fully upholstered/paneled in tin. Floral motifs and ram's head motifs on the backrest. In very good condition. Very slight signs of use consistent with age. Upholstered in black velvet fabric. Dimensions: 59W x 87H x 45D
