

American Platinum Diamond Wedding Band

3 800 EUR

Period : 20th century

Condition : Très bon état

Material : Platinum

Description

Diamond wedding band set all around in geometric settings adorned with 22 brilliant-cut diamonds. Period: 20th century. Main material: Platinum, hallmarked with a dog's head. Total diamond weight: approximately 2.20 carats. Proportions: Height: approximately 3.3 mm, thickness: approximately 2.2 mm. Net weight: approximately 5.6 g. Size 59, non-reducible, please contact us with any requests. Authentic antique jewelry - French work from the 1950s. Our opinion: With its substantial size, this platinum and diamond wedding band can be worn alone, alongside an engagement ring, or stacked with another wedding band.
