Description

Antique 19th-century ring featuring a border motif adorned with delicate half-pearls and a larger button pearl in the center. The setting is openwork, and the band's base is decorated with a fleur-de-lis and arabesque motifs. Period: 19th century. Main material: 18k rose gold (750/1000), eagle's head hallmark. Proportions: Height: approximately 13 mm, width: approximately 9.6 mm, thickness: approximately 5.5 mm, band width at the base: approximately 1.9 mm. Net weight: approximately 2.6 g. Authentic antique jewelry - French work from the second half of the 19th century. A small, barely visible trace of solder is present at the base of the band. Our opinion: This fine pearl ring features vibrant rose gold and a very flat setting on the finger, making it a charming antique piece. Resizing is possible;
