Description

Julio Silva, Artist's Proof (EA) engraving, signed lower right, dated 1984. Framed in wood covered with aluminum, black mat. Visible dimensions: 58 cm x 50 cm. The Franco-Argentine painter and sculptor Julio Silva was born in Argentina in 1930 and died on April 4, 2020. The artist is also known as a major collector of African and tribal art, a collection he began in the mid-1950s. He is also recognized for several facets of his creative work: for his poetic drawings, for his colorful gouaches, but even more so for his monumental, smooth, and flowing sculptures, often in Carrara marble.
