

Small Giltwood Console Table, Louis XVI Period

1 400 EUR

Period : 18th century

Condition : Très bon état

Material : Gilted wood

Width : 64

Height : 88,5

Depth : 32,5

Description

An elegant, small console table in giltwood, molded and carved, with a fluted and reeded frieze supporting a substantial garland of flowers and foliage, standing on two tapered and fluted legs ending in lotus leaves, joined by a fluted stretcher, centered by an antique-style "fire pot" urn adorned with a garland of flowers and foliage (minor losses). Red veined marble top. Louis XVI period. Very good condition.
