

## Butcher's Block

1 500 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Length : 131

Height : 108.5

Depth : 73.5

### Description

Large butcher's block from the 1990s with a sycamore top and solid beech back panel and legs. End-grain wood construction with reinforced metal corners and a large drawer beneath the top. Practical with its stainless steel knife rest. Fully restored, it is in good condition and can be used by budding cooks or simply as a decorative piece. As is often the case, the surface of the top has been scraped over time and is not perfectly flat. However, it is smooth and soft. 131 x 73.5 cm. Total height: 108.5 cm. Top height: 84.5 cm and 79.5 cm in the recess. Height of the apron under the drawer: 39 cm.
