Description

Rare Set of 10 Wall/Ceiling Lights with Floral Motif - Patinated Brass - Maison Jansen (Attributed) An elegant set of 10 wall or ceiling lights in patinated brass, featuring stylized floral decoration, by Maison Jansen. Each piece consists of a circular center surrounded by floral and foliate elements in hammered and ribbed brass, creating a particularly decorative interplay of volumes and reflections. The subtly nuanced golden patina lends the set a warm charm and a beautiful presence on walls or ceilings. These light fixtures integrate perfectly into a classic, late Art Deco or Hollywood Regency interior, whether in a period home or a contemporary setting seeking a sophisticated touch.
