Description

Large Original Poster 1890 - Affiches Camis Paris - Belle Époque Fashion - Linen-Backed 100 × 130 cm. Original antique poster from the late 19th century (1890), published by Affiches Camis - Paris (Quai Jemmapes). A very beautiful color lithographed poster depicting Belle Époque men's fashion (elegant men and children), originally intended for a tailor's or clothing store window. The poster is linen-backed, ensuring excellent durability and preservation. Large decorative format, particularly sought after (100 x 130 cm). Good overall condition considering its age (a small, discreet stain at the bottom, easily concealed with a mat when framing). Please note: Original poster, not a reproduction. Ideal for decorating a loft, boutique, restaurant, study, or for a collection. Very striking visual impact once
