Pair Of Japanese Vases In Chased Bronze With Bird Inlay

400 EUR

Period : 20th century

Condition : Etat d'usage

Diameter : 5,7 cm

Height : 12 cm

Description

These Japanese vases are made of bronze, with bird and plant motifs in high relief. They each contain a single-flower vase. We note a patina from use, scratches from handling, and small dents. Our photos allow you to appreciate the quality of these vases. For condition details, please examine the photos carefully. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 12 cm, Neck diameter: 3.7 cm, Body diameter: 5.7 cm, Base diameter: 2.3 cm - Inner vase: Height: 10.5 cm, Neck diameter: 3 cm, Base diameter: 2 cm. M3920
