

## Diamond And Pearl Ring, Napoleon III Era

680 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

### Description

Diamond and pearl ring, Napoleon III period, French work. Antique ring centered with a daisy motif, composed of rose-cut diamonds and white half-pearls (likely fine), set within a shoulder of two white half-pearls. The setting is in slightly pinkish yellow gold with an openwork shoulder. Size: 51 (resizing possible). Gross weight: 1.8 g. In very good condition for a ring over 120 years old! Comfortable to wear. Free insured and declared value shipping within France, with invoice sent by email.
