Painted Display Case, Late 18th Century

900 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 72

Height : 189

Depth : 40

Description

A two-part painted wooden display cabinet, likely of Italian origin, dating from the late 18th century. The structure features an arched front surmounted by a rounded pediment with a carved shell motif. The interior is painted in shades of sky blue, gold, and stylized marble. The framed decorative panels evoke a late Baroque style. Visible signs of use and wear are consistent with the piece's age. Ideal for displaying collectibles.
