

Woodwork Element, Spanish Colonial Work, Late 17th Century

240 EUR

Period : 17th century

Condition : Bon état

Material : Solid wood

Length : 35cm

Width : 24cm

Description

A wooden panel featuring a religious figure, or an angel, at its center, dating from the late 17th century. Certainly a Spanish colonial piece. The wood patina is simply exceptional. The decoration of the dalmatic and the cords is exquisite. Free shipping within mainland France. Contact by email preferred. I am available for further information or additional photos.
