

Antique Workbench And Counter, First Half Of The 20th Century

3 500 EUR

Period : 20th century
Condition : Parfait état
Material : Solid wood
Length : 219 cm
Height : 89 cm
Depth : 56 cm

Description

As much a shop counter as an artisan's workbench, this antique workbench possesses undeniable charm! Its beautifully grooved uprights topped with a sculpted capital, its two rows of drawers and its last row of false drawers (the drawers in the last two rows open into a single top drawer, thus increasing storage capacity), its plinth protecting the base--all these elements combine to create a unique, warm, and perfectly preserved piece that would find its place in a kitchen or living room.

Worldwide delivery available.
