

## Jean Prouvé Daybed, Model Scal 452, In Steel And Ash, 1950

18 000 EUR

Signature : Jean Prouvé

Period : 20th century

Condition : Bon état

Material : Solid wood

Length : 196 cm

Width : 90 cm

Height : 57 cm

### Description

This exceptional piece was designed in the 1950s by the renowned architect and designer Jean Prouvé for the Cansado mining town in Mauritania; it is the SCAL 452 model. This daybed consists of four cylindrical steel legs, a frame made of folded sheet steel, two ash wood end panels, and a foam mattress. It is in good condition and has been restored; the metal frame has been repainted, and the foam mattress has been replaced.
