Rocaille Antiques by French Vintage Interior:
This exquisite pair of bronze candlesticks is a superb example of 19th-century Italian art. Handcrafted in the Venetian style, these candlesticks exhibit a realistic style and make a beautiful addition to any collection. The intricate carving on the statue format testifies to the skill of the artisans who created them. Measuring 20 cm long, 40 cm high, and 20 cm wide, these candlesticks are medium-sized and perfect for any Art Deco (1920-1940) themed display. Although unsigned, they are an original piece and are supplied without a certificate of authenticity. The production technique is carving, and the object is a sculpture. Add a touch of Italian history to your home with this magnificent pair of Venetian candlesticks. About Us: Rocaille has a
