Description

An elegant set of four French chairs, in the Restoration style, mid-20th century, made of solid wood with a beautiful, warm patina. The curved backs and slightly tapered legs create a balanced silhouette, typical of furniture from the 1950s and 60s. The seats are upholstered in olive green velvet, providing comfort and contrast to the wood. A decorative and functional set, ideal around a dining table or in a contemporary interior that blends antique and vintage pieces. Good overall condition, with signs of wear consistent with age. Delivery within mainland France: EUR100. Contact us for more information.
