

Artemide Wall Light

350 EUR

Signature : M. De Lucchi - G. Reichert

Period : 20th century

Condition : Parfait état

Width : 33

Height : 32

Depth : 19

Description

Original wall light produced by Artemide under the name Logico and designed by M. De Lucchi and G. Reichert. It features a draped opaline glass shade with pleats. It illuminates downwards through the white opaline glass. It rests on a nearly invisible metal base that holds two light bulbs. The resulting light is beautifully diffused, much more so than in the photo, and without any harsh glare.
