

Terracotta Pot From Nepal, 19th Century

250 EUR

Period : 19th century

Condition : Très bon état

Material : Terracotta

Width : 17 cm

Height : 10 cm

Description

This terracotta pot is part of the Newar tradition of Nepal and was used in wedding ceremonies. It was wheel-thrown and finely engraved with floral motifs and large birds with outstretched wings. A geometric frieze decorates the neck of the pot. Fine condition, without any luster. Nepal, late 19th century.
