

Antique Cross Antique Gilded Wooden Cross 18th Century

150 EUR

Period : 18th century

Condition : Bon état

Description

This is an antique crucifix made of carved, gilded wood. **Material and Technique:** The object is made of carved wood, with gilded parts. The ends of the cross are decorated with shapes reminiscent of the Gothic style. **Style and Period:** The style suggests an Italian origin, probably Tuscan, dating back to the 18th century. Similar objects are often described as processional or processional crosses, used during liturgical processions. H 35 cm - W 22 cm
